The International Knickerbocker Cup Postponed to 2003

Due to unavoidable conflicts and very difficult time issues beyond its control, the Knickerbocker Yacht Club and the Knickerbocker Cup Committee announce the cancellation of this year's Knickerbocker Cup (August 22-28). While this was an extremely difficult decision, the Committee regrettably came to the conclusion that it was in the best interests of the event to postpone it until summer 2003. The Knickerbocker Yacht Club and the Knickerbocker Cup Committee hope to see many of the top world-class skippers and crews back in 2003 to continue the long tradition of hosting this prestigious Grade 1 Match Racing Event.
